SUBJECT: F09603-03-M-0237, et. al., regarding answers to technical questions for alternates to Boeing P/N 17G423511-1, -501, -503, and -505 storage/transport cases for support equipment.

Kirchhan Industries, Inc. has refused to take orders for the subject Boeing P/N after 1 January, 2003. In FSC-3034R2, Boeing has identified an alternate source (Hardigg Industries, Inc.) for these containers. The table below provides a matrix for identifying the appropriate vendor P/N that correlates to the existing Boeing P/N 17G423511-xxx (dependent upon usage).

SUGGESTED SOURCE(S) OF SUPPLY			
VENDOR		VENDOR ITEM IDENTIFICATION NUMBER	APPLICATION (REF: 17G423511)

WRALC/LHE directs, that until all affected Boeing drawings can be updated, delivered, and loaded into the Government data repository (JEDMICS), the table above shall be used to supplement the existing technical data in the procurement of all support equipment requiring the Boeing P/N 17G423511-xxx storage/transport case.
